

**What Early Readers  
Are Saying About**  
*Feisty Old Jews*

“Books are lovely holidays from the battering our minds take from the internet. And this book is tremendously lovely... The scene at the breakfast table had me weeping with laughter. Made my morning.” – Joe Dunn

“I’m reading this slowly, savoring. The story ‘Fish Sisters’ is a stunner.” – Susan Rutberg

“Thick with superb storytelling... The book touches on much of the American Jewish experience. By the time I finished it, I was struck as though for the first time by what a long, strange trip it’s been for this tribe.” – Leonard Rifas

“Remarkable portrayals of old people having the agency to make big life changes. I stayed up reading well past my bedtime and found myself happily hooked, brightly bemused and deeply moved.” – Rob Hurwitt

“Just love the characters, so real, so alive, and also the writing is so good. Reads so well.” – Omar Khan
